

**REMARKS**

Applicant respectfully submits that this restriction requirement is addressing the wrong application.

The present application contains claims 1-36, not claims 21-43.

The present application is directed to an improved breast pump, not a drug delivery system or a renal system.

In light of the above, Applicant respectfully requests that this second restriction requirement be withdrawn.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as Express Mail No. EV 632761163 US addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on June 20, 2006.
